Product Brochure.

# WILO Z-15

## Domestic Hot Water Re-Circulation

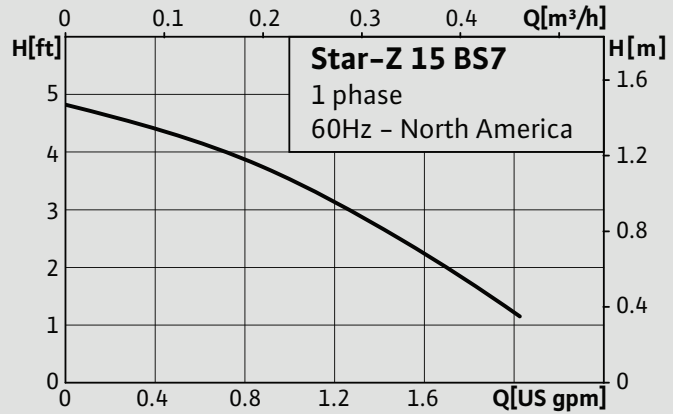

The Wilo Z-15 is the pump of choice for instant hot water! Primarily used in secondary hot water systems, the Z-15 uses an NSF/ANSI 61 approved, lead-free bronze volute. With an optional timer, and magnetic drive design, your energy savings are maximized. Using the Jet Connect fitting package included with the circulator, installation is a breeze no matter what type of pipe connection you need! Practical? We call it *Pumpen Intelligenz*.
